Dear Mr Deschamps,

RE: Virgin Australia Regional Airlines Contractor / Service Provider Approval

Following a desktop audit performed in accordance with the Virgin Australia Regional Airlines (VARA) Continuing Airworthiness Management Organisation (CAMO) Exposition, Sabena Technics DNR is reapproved as a Contractor / Service Provider in respect of providing maintenance and distributing Class II Aeronautical Products to the VARA fleet of aircraft.

Any limitations or conditions associated with this approval are listed below.

Approval Number:
CAMO QA 625

Limitations:

Limited to the maintenance and distribution of Class II Aeronautical Products as per DGAC Maintenance Organisation Approval Certificate Number FR.145.0004, Revision 10, dated 28/04/2017.

Conditions:

On the basis that Sabena Technics DNR holds the relevant approvals and certifications and provides an acceptable level of services to the VARA CAMO.

All CAMO approved Contractors / Service Providers must be reassessed on a continual basis. This approval will expire on **09 October 2018** coinciding with the next audit scheduled date.

Should you have any question related to this approval, please do not hesitate to contact me directly.

Yours sincerely

Adri Duvenhage
CAMO Quality Manager
