Dear Bertrand Poncin,

Further to the recent application for a validation of your Directorate General for Civil Aviation Continuing Airworthiness Management Organisation (CAMO) Approval, please find enclosed the validation, which has the following reference number 2-REG.39.131.

This validation grants Sabena Technics BGC the privilege to undertake continuing airworthiness management of 2-REG aircraft within the applicable rating and scope of approval, including aircraft types, of the foreign authority approval.

The issue of a 2-REG CAMO validation is subject to a number of statutory requirements that contain obligations for you as the holder. - GAR 39 – Continued Airworthiness Requirements;
- GAR 91 and 125 – General Operating Instructions and Complex general Aviation.

Please note the validity of this certificate is until 28 December 2024.

Yours sincerely,

The image shows a handwritten signature in blue ink over a circular official seal. The seal features the coat of arms of the Bailiwick of Guernsey and the text "BAILIWICK OF GUERNEY" at the top and "DIRECTOR OF CIVIL AVIATION" at the bottom.
