

## Swiss Military Aviation Authority

# APPROVAL CERTIFICATE

Number **CHEMAA.MMO.015**

The Swiss Military Aviation Authority (CHEMAA) certifies

## **Sabena technics BOD**

19 rue Marcel Issartier, 33700 Mérignac, France

as a Military Maintenance Organization

approved according to the Directive of the National Armaments Director  
on the certification process for military aeronautical systems (60186/02)

### Conditions:

1. The approval is based on the review of the Maintenance Organization Exposition M.O.E. Edition 15 Amdt. 1, dated 10/23, established for EASA and which processes remain applicable for the Swiss Air Force registered Bombardier Global 7500,
2. The approval is limited to the scope of the maintenance activities to be performed on the Swiss Air Force Bombardier Global 7500 during the installation of the DIRCM system, including scheduled maintenance, and remain valid until acceptance by the customer of the work performed.

For the MAA Certification Office,
