

## Swiss Military Aviation Authority

# APPROVAL CERTIFICATE

Number **CHEMAA.MDO.015**

The Swiss Military Aviation Authority (CHEMAA) certifies

## **Sabena technics BOD**

19 rue Marcel Issartier, 33700 Mérignac, France

as a Military Design Organization

approved according to the Directive of the National Armaments Director  
on the certification process for military aeronautical systems (60186/02)

### Conditions:

1. The approval is based on the review of the DO Manual Issue 12 amendment 2, established for EASA and which processes are applicable for the certification by EASA of the design changes required for the Bombardier Global 7500.
2. This approval is limited to the scope of the Bombardier Global 7500 acquisition program and valid until the design changes developed for the Swiss Air Force have been validated and approved by the MAA.
3. MDO obligations for continued and continuing airworthiness of the product after change approval and during operational service will be managed by the MTC Holder organization through an arrangement with the MDO.

For the MAA Certification Office,  
Date of issue: 25.04.2024
